Especial Camp on "Women Empowerment"

(Date- 08/03/2018- 14/03/2018)

The subject of empowerment of Women is becoming a burning issue all over the world including India since last few decades keeping in view the needs and importance (to condemn being treated as object that can be bought and sold), women have demanded equality with men in matters of education, employment, inheritance marriage, politics and recently in the field of religion also to serve as cleric (person in religious orders).

A long struggle going back over a country has brought women the property rights, voting rights, equality in civil rights before the law in matters of marriage and employment. In addition to the above rights, in India, the custom of purdah (veil system), female infanticide, child marriage, sati system, dowry system and the state of permanent widowhood were either totally removed or checked to an applicable intent after independence through legislative measures.

Keeping in view the given concept of Women Empowerment NSS with Department of PMIR, Darbhanga House, Patna University organised a 7 days especial camp under the guardianship and leadership of Dr. Sunita Roy, Head, Department of PMIR, Patna University. Through this camp she highlighted the needs of empowering the women to take their own decisions for their personal dependents. Steps were also taken to make the women independent in all aspects from mind, thought, rights, decisions etc. by leaving all the social and family limitations to bring equality in the society for both male and female in all area. The details of this fruitful camp is mentioned below.

DAY 1

The morning of 8th March, 2018 started with the registration of students at about 09:00 AM. Nearly 50 students both male and female enthusiastically registered themselves to be a part of this 7 days camp.

Pro Vice Chancellor Ms. Dolly Sinha inaugurated the camp with lighting of the lamp. She was accompanied by other intellectual guests like Dr. Atul Aditya Pandey (Co-ordinator, NSS, PU), Mrs. Renuka Sharma (Advocate, PHC) Ms. Vaghisha Sharma (Advocate, PHC). A welcome song was sung by students to welcome the dignitaries ^{Padma with court} proceeded by NSS song which proved to be a motivator to continue the program excitedly.

A welcome and introductory speech was given by Dr. Sunita Roy in which she welcomed the glories of intellectuals and threw light on the condition of women in family and society she cleared the concept of women empowerment and also talked about its growing need in this dynamic society.

Pro Vice Chancellor Ms. Dolly Sinha also kept views related to the topic and said that it's a burning topic and needs to be practised as soon as possible. In her words she also tried to put forward the evils practices that should be abolished so that women could live freely an earth.

Agreeing to the words of Pro Vice Chancellor, Mrs. Renuka Sharma also impressed her outlook by saying that several acts related to safety of women are enacted to protect women from such evil practices. She also gave her views related to domestic violence, sexual harassment and dowry system. Giving the details she clarified that domestic violence can be by husband, in-laws or own family and different acts are made to deal with each respectively. Her statement related to sexual harassment surprised all of us when she told that in 90% of cases of sexual harassment, the culprit is someone very close to the victim.

Last but not the least, Mr. Vaghisha Pragya enlightened us with her unparallel bundle of knowledge. She said that dowry demand is a heinous crime and should be abolished. Every year case of dowry death is increasing which of course is a curse to the society. She also talked about the ways to solve such problems with the help of laws.

After the informative speeches tea and snacks break was taken.
