Alumnae Feedback

A department is considered enriched when it has active alumnae. Although the Department of Music has designated the month of December for Alumnae Meet, they are welcomed to visit throughout the year as per their convenience. Each alumna can be a great support to her alma mater in two effective ways- they were a part of the institution for a long period, hence their opinions and experiences regarding strengths and weaknesses of the Deptt. were of great importance; professional alumnae can be a good mentor and counselor and their expertise can be the biggest source of information for job opportunities for the present students.

On a get-together was organized which was an informal meeting. Alumnae gave their feedback on various aspects, viz. Faculty, evaluation system, teacher-student relationship (good), musical instruments, practical classes (excellent), etc. Musical programme, photo session, refreshment and feedback marked the occasion.

Recommendations-

- Professional counseling should be started.
- Maximum programmes, seminars, workshops, conferences should be done.
- To create a social site to stay connected with juniors, seniors, fellow members and rest members of the department.

Actions Taken/ To be Taken-

- Programmes, workshops, etc. are being started at time-to-time.
- Rest of other recommendations were placed and discussed in the departmental meeting and planning is in action.
